

**ORDINANCE NO. 2013-07**

**AN ORDINANCE AMENDING ORDINANCE 94-1 SECTION II AND SECTION VII (C), AN ORDINANCE AMENDING AND CONSOLIDATING CITY REGULATIONS AND THE PROVIDING OF UTILITY SERVICES.**

**WHEREAS**, By Ordinance 94-1, the City of Providence, Webster County, Kentucky, has consolidated the providing of utility services and the payment of utility rates for the residents of Providence; and

**WHEREAS**, pending utility improvements and the funding therefore require the amendment and re-calculation of utility rates to cover increased expenses;

**WHEREAS**, the City of Providence, has determined the amendment and re-calculation of the utility rates will serve the best interest of the citizens of Providence by affording adequate funding for improvements to the municipal utility systems and services;

**NOW, THEREFORE, BE IT ORDAINED** by the City of Providence, Kentucky, that Ordinance 94-1, An Ordinance Amending and Consolidating City Regulation and the Providing of Utility Services, Section II and Section VII (C) is hereby amended to read as follows:

**Section II: Utility Service Tap Fees:**

The following fees shall be in effect for all utility taps:

**A. Electrical:**

Permit for all electrical services \$7.50

~~\$75.00~~          \$185.00 for 100 amp service

~~\$90.00~~          \$370.00 for 200 amp service

\$505.00 for 400 amp service

\$875.00 for 600 amp service

\$1,010.00 for 800 amp service

The above fee for single phase service includes 100 feet of wire. The customer must pay the City's cost for all wire over 100 feet and all poles. The customer is responsible for the inspection of their service prior to hookup by the City. Inspection must be completed by a Kentucky certified electrical inspector. A copy of the inspection must be provided to the City of Providence. For 3 phase service, the customer must submit in advance, its service specifications. The City shall calculate its cost to satisfy

said specifications. The customer must pay the City for its cost before the connection is made.

B. Gas:

~~\$150.00~~ \$385.00 tap fee for ¾ inch connection which includes 55 100 feet of service line; \$1.00 per foot charge after the first 100 feet of service line.

\$625.00 tap fee for 1 inch connection including 100 feet of service line; \$1.00 per foot charge for service line in excess of 100 feet of service line.

\$1,680.00 tap fee for 2 inch gas connection including 100 feet of line; \$1.25 per foot charge for service line in excess of 100 feet of service line.

C. Sewer: \$230.00

D. Water: ~~\$175.00~~ \$475.00 tap fee for ¾ inch connection

\$550.00 tap fee for 1 inch connection

\$965.00 tap fee for 2 inch connection

The foregoing fees are tap-on fees which must be paid prior to the initiation of utility services and are in addition to any other meter charges or security deposits or other required fees set out herein.

## Section VII: Utility Rates
